FAQ

1. Dress code: Anything comfortable. The session is conducted fully-clothed and no change of clothes is required.
2. Useful information for your the first visit: [What to Expect](#)
3. Are our services covered by insurance?
We are not currently aware of insurance that covers Spinal Flow treatment. However, we understand that it may be claimable under companies offering flexible benefits. We would suggest checking with your HR or relevant flexible benefit champions in your workplace.
4. What are the rates for subsequent or follow-up sessions?
 - The average rate for Spinal Flow treatment may differ depending the individualised treatment plan, which includes the number of sessions and frequency of treatment, recommended by our Spinal Flow practitioners. Depending on the number of treatments recommended and willingness to commit to the individualised plan via bundled and discounted Commitment to Heal treatments, average rate per session could range between \$88 to \$104.
 - Ad-hoc follow-up Spinal Flow treatment could be 20%-30% higher than bundled sessions.
